

DIRECTOR'S MESSAGE

Dear Friends and Supporters,

As we reflect on the past year at Mama Cleos Boys Home AC, I am filled with gratitude and pride for the incredible journey our boys have undertaken. Over the past year, we have not only seen significant growth in our residents but also in our programs, staff, and community connections.

Our mission remains steadfast: to provide a safe, nurturing environment where boys can learn, heal, and develop into responsible young men. With your generous support, we have expanded our educational initiatives, enhanced our mental health services, and celebrated countless personal achievements.

This year, we successfully implemented new vocational training programs, allowing our boys to gain practical skills that prepare them for future employment. Our team has worked tirelessly to foster an atmosphere of respect, understanding, and encouragement, allowing each boy to express themselves freely and build their self-esteem.

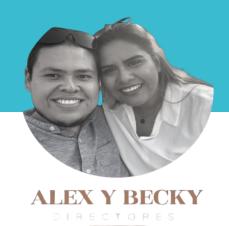

I am particularly proud of our community outreach efforts, which have strengthened bonds with local organizations and families. Together, we have created a network of support that empowers our boys to thrive beyond the walls of Mama Cleos Boys Home.

As we look ahead, our commitment to continuous improvement remains our priority. We will focus on enhancing our facilities and expanding our mental health resources to ensure every boy has access to the care they deserve.

Thank you for your ongoing support and belief in our mission. Together, we can continue to make a difference in the lives of these young boys, guiding them toward bright futures filled with hope and opportunity.

Warm regards,

Alejandro Bernardino Director, Mama Cleos Boys Home AC

Activities carried out during 2024

Our boys participated in several activities during 2024, for Mama Cleo's Boys' Home AC, it is very important to have our boys busy all the time, as they are children and adolecents, they have lots of energy and strong enough to carry out any activity.

They are learning that working is the key to success, I will name some of the activities they did last year and still do this year:

1. Carpentry Classes

Have Have Carpentry School deserve a huge thanks, because they have given us the chance for our boys to learn a skill, THANK YOU SO MUCH

2. Normal Public School

The majority of our kids are put in school, some of them are waiting for their DIF (mexican organization for Kids rights in Jalisco) to register them as some of these kids are not on the system as if they don't exist, so sad, but we are working on that so we can help out this children.

3. English Classes

Some of our kids are pretty good at English and that is thanks to great volunteers who give part of their lives to teach these young men.

We are still looking for more volunteers
IF YOU ARE A VOLUNTEER ALREADY, THANK YOU VERY
MUCH!

5. Active members of the Youth Group at the Church of the Holy Spirit Chapala

This Church has been our church for many years, in here, there is an active Youth group in which our adolecents are part, the main idea is teach these boys God's Identity.
